

fog linen work 25 fall

Composed Elegance : Uniforms in Linen

For fall, fog linen work explores
the quiet elegance of uniform dressing
through softly tailored sets crafted from 100% linen.
Each coordinated piece—designed to be worn together or
apart—offers a sense of grace, composure,
and quiet confidence.

Thoughtful silhouettes and subtle textures bring structure
without stiffness, allowing the wearer to move fluidly
through the day.

This is elegance redefined: practical, composed,
and deeply personal.

A wardrobe that feels intentional
—rooted in rhythm, balance, and timeless linen.
